Gorazd KOBAL, univ. diplomirani inž.

Identifikacijska št.: 0076 A

Št. projekta:

U/048-2013

Datum:

December 2013

Naziv dokumentacije:

Urbanistična preveritev
in idejne rešitve nove
zazidave na zazidalnem območju
"Nad šolo na Škofijah"

ZASNOVA PROMETNE MREŽE

Oznaka merila:

1:1000

Številka grafičnega lista:

2

The figure is an aerial photograph overlaid with a technical road network plan. The network consists of several roads labeled in red: 'cesta 1', 'cesta 2', 'cesta 3', 'cesta 4', 'cesta 5', 'cesta 6', 'cesta 7', 'cesta 8', 'cesta 9', and a larger road labeled 'obvozna cesta ŠKOFIJE - TINJAN'. The roads are shown in light blue with white lane markings. The map includes numerous technical annotations in yellow and black, such as radii (R) and distances (A) for various road segments and intersections. For example, 'R=200.00' and 'A=200.00' are noted for a curve on 'cesta 2'. The background shows a mix of residential buildings, green fields, and wooded areas. A north arrow is located in the bottom left corner.
